

Comprehensive track system solution

OneTrack

The OneTrack range comes with a variety of accessories and is available in two colours – black and white.

Various installation accessories allow the product to be surface mounted, recessed or suspended.

OneTrack is offered in three different sizes – 1m, 2m and 3m which gives customers the flexibility to choose the length according to their project's needs.

OneTrack has an environmentally friendly design as the product is made of mainly aluminum which is recyclable at the end of its lifecycle.
