

Ultimate track system solution

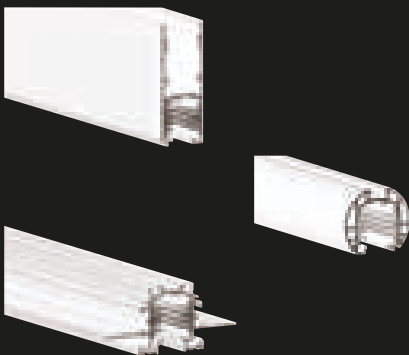

Lytespan

Lytespan is a comprehensive tracks range, available in round, trimless recessed and H-track versions.

Lytespan is offered in two colours - black and white. The various installation accessories allow the product to be surface mounted, suspended or trimless recessed.

The product's modular structure, makes it suitable for various applications such as shops, department store, offices and hospitality environments.

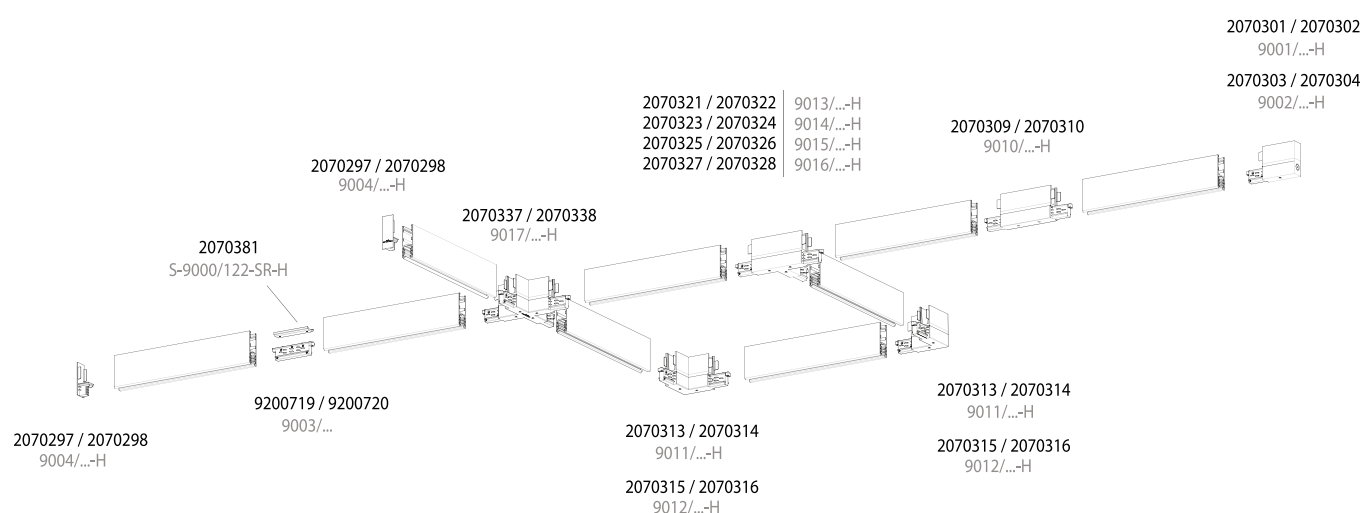

Lytespan is made of aluminium and it is available in three different lengths - 1m, 2m and 3m. Track profiles can be cut at needed lengths.

Lytespan H-Track

- Lytespan's high load capacity and circuit-specific control options can be used in many different applications such as retail shops, museums, offices, and restaurants
- The modular structure makes it easy to extend and adapt to various applications
- Lytespan H-Track is suitable for suspended and surface application
- Lytespan can be used with a variety of track adaptors, including in-line track adaptors
- Extruded aluminum body and copper conductors
- Lytespan: L1/L2/L3/Neutral/ground 16A/440V + D+/D- 2x1A/50V FELV AC (DALI)
- Available in 3 standard lengths: 1000mm, 2000mm, 3000mm (4000mm on request)
- Track profiles can be cut at needed lengths
- Available in black (RAL 9005), and white (RAL 9010) colours

H-TRACK READY KIT

H-Track Ready Kit

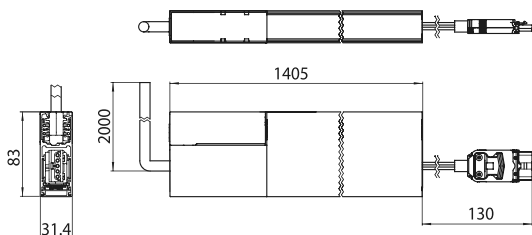

- H-Track Ready Kit is a flexible linear track light system easy and fast to install, suitable for retail, museum, galleries, hospitality, and office environments
- Complete with H-Track extruded aluminum body, LED light source, DALI control unit, quick connectors, opal diffuser and prewired supply cable
- H-Track Ready Starter kit supplied with live-end feed, prewired supply cable and a quick connector
- H-Track Ready Joiner kit supplier with two prewired quick connectors
- Suitable for direct or indirect lighting
- Available in L.1405mm
- Colour rendering index, CRI>90, high colour consistency, 3 SDCM LED source
- Available in 3000K and 4000K light colour temperature
- Compatible with OneTrack or Lytespan H-Track installation accessories, accessories are excluded
- Available in black (RAL 9005), and white (RAL 9010) colours
- Lifespan up to 50.000 hrs (L90B50)
